						<b>Total in camp</b>	<b>1,601</b>	<b>158</b>	<b>163</b>	<b>137</b>	<b>72</b>

It is not intended that the foregoing list shows the real ownership of any property, but merely showing who holds it at present. The "inventory" of live stock cannot possibly be correct, as some two or three horses have died within the last two days. But it is as near correct as practicable.

WM. McKUSICK,  
Lieutenant, Superintendent of Indian Camp
