

Albany College, Albany, Ore. August 9, 1911

Hill to H. M. Crooks, President

I have received a copy of Albany College Bulletin of July 20, on first page of which appears a copy of my letter to you of April first with reference to my contribution towards an endowment fund... I am very much humiliated and annoyed by your action in publishing my letter... and ask that you withdraw it from publication at once.

JJH LetterBook, 5/27/11 - 6/10/16, p. 51
