

Angus, Richard B.

Sept. 3, 1878

Hill to Angus, Montreal

Bought Upham's bonds of the 1,200,000 issue at 75¢ but he wanted to reserve all the past due coupons unless I took them at same rate. Not wanting any misunderstanding with him, I took them. He has been in a position to be of great service to us and we want to continue his good services to us.
