June 4, 1887

"Your favor of June 1 enclosing draft for \$2,160 in payment for two paintings by "Tito Lessi" and Bakkerkorff duly rec'd.... My son (architect) is rather figetty for fear you did not see his drawings & plans - or that you are not pleased and so "love's labor lost" - I know he put his whole soul in the matter night and day for a couple of weeks."
