

Avery, Henry O.

Feb. 25, 1888

Avery to JJH, General Correspondence

"I write to you concerning the drawings I sent you about one year ago . . . I can freely say, that they are original, and as fine, I think, in architectural arrangement & style as any gentleman's estate in this country of similar magnitude." Wants drawings either acknowledged or returned.

JJH returns them [see penciled note in corner].
