

Bacon, Robert

December 7, 1900

Hill to Bacon carbon and letterbook

Re friction between Mellen and Kendrick and a reduction of railroad rates [brought about by Northern Pacific Road?]. Re the Erie Road and Farrington's willingness to make a survey of that road and of the Lehigh Road.

General Correspondence; also Letterbook, 3/13/99
5/30/02, p. 273
