

Becker, George L.

March 22, 1886

Hill to Henry W. Cannon

Re Becker's railway stock, Dakota Midland. "His selling the stock, of course, would not extinguish the claim against the company...Offer him \$8,000 cash for the stock upon production of sufficient evidence that all claims against the Co., ... had been settled and paid in full. He might give a bond ... but I do not know of any responsible party who would become his bondsman."
