

Benedict, Charles H.

February 9, 1886

Benedict to D. H. Valentine

"I have recently been placed in charge of Mr. Hill's personal affairs and find that there are several deeds for lands in Kittson Co. purchased under the arrangement between Mr. Hill and yourself which stand of record in your name and have never been re-deeded by you to Mr. Hill. As I understand the agreement provides these lands should be placed in Mr. Hill's name as security for the advances made by him.
