

Bill, Fred A.

April 15, 1915

Bill to Hill

Enclosing a reminiscent article (carbon) on "Steamboating on the Red River of the North," mostly an account of the maiden trip of the "Dakota" in 1872, including the vessel's trip up Red Lake River to the site of Crookston. On the latter expedition, Hill, Norman W. Kittson, and some others were aboard.
