

Blabon, J. W.

June 20, 1902

Jos. W. Blabon to J. J. Hill.

Encloses clipping from Seattle Times, June 14, 1902. Is much disturbed over the contents of the clipping which states, "To Discuss Rates." "Big Bend Farmers and Roads to Confer." "Presidents Hill, Mellen and Harriman to meet with shippers."

Believes Chamberlain and Farrell should not have given advance notice through the newspapers.
