Bodwell to L. W. Hill.

The Premier has approached Bodwell "to ask if we could renew our application." Thinks the Government would be compelled to accept his offer if he could quote \$4,000 a mile cash bonus and agreement to construct the whole line [Coast-Kootenay Road]. Would have made the proposition except for Hill's suggestion as to the difficulty of Hope

Mountain Division.   ks to be advised  
quickly.
