

Bodwell, E. V.

May 10, 1902

Telegram. E. V. Bodwell to A. W. Clarke.

Has come to Seattle to confer with Eden concerning McKenzie's proposed dealing with Dunsmuir in the ferry matter. Thinks it unwise to leave Victoria for St. Paul. The Premier has made a proposition to the Opposition which they turned down, and they will fight to the finish. The Government is very uneasy.
