

Bruns, H. A.

In July, 1890 he was president and manager of Moorhead Roller Mills.

See: Bruns to Stephens, July 12, 1890.

In 1891 Bruns was operating the Grand Pacific Hotel at Moorhead, Minnesota. He had borrowed some \$70,000 from the St. Paul Trust Co. in 1888 [probably on Hill's endorsement of his note. Two promisory notes dated July 12, 1888 are filed in box labeled "Old Notes."]

In 1892 Hill foreclosed the mortgage on

the hotel. [See Charles W. Eberlein to W.A. Stephens, April 16, 1892. In ~~Amberg~~ #50]. There is considerable correspondence between Hill and the St. Paul Trust Company over matters involving the hotel.
