Kennedy to Hill

Re lunch with Pres. Roosevelt
Lists his properties that he wants
Hill to evaluate for making
his will. Discussed status of
several of them.

4,500 shares Gt. Falls Water Power + Town Site Co.
60,000 " Red Mt. Mining Co.
866 " St. Anthony Falls Water Power Co.
Some in Mason Co + Fort ~~Worth~~ RR Co.
Red River Rolling Mills + Mills + Dumbell Co.
(over)

" I suppose the Red River Rolling Mills
and the Mill Sacs Lumber Co have only
a nominal if any value. The only
tangible thing left to represent the
large amounts advanced to Andrew
Tod being the lands he purchased
and which he represented to me as
being about 80,000 acres but which
never exceeded 30,000,
if so much.
