

1884, April 23

Kennedy to Hill.

Rumors flying around lately about difficulties in the Canadian Pacific Ry + they appear in our papers here as telegrams from Ottawa + Montreal. Reported that Mc Intyre + Angus have resigned and have sold their interest. Angus when here yesterday said he had not sold out but admitted that Mc Intyre would of taken retire +

he might also hint that there was no unfriendly feeling. The bears side of the stock today & it dropped to 46 0/0 with large sales & then Manitoba was affected thru sympathy & dropped to 91 0/0. Rumors in Street also that a large block of Manitoba stock belonging to Canadian parties was about to come on the market.
