

1882, September 7.

N.Y.

Kennedy to Hill.

As the Co. now has its own office here I would be obliged by your telegraphing & writing about earnings and all other matters to me as Vice Pres^t or to Mr. Nichols as Asst Sec^y so that they will come at once to this office. I hope to be ready to take over the Co's business from my firm on 1st Oct^r at latest.
