

Kennedy, John S.

May 5, 1896

John S. Kennedy to Hill.

Re the suit that the U.S. government has recently commenced against the Humboldt Redwood Co. The large stockholders of this company, apparently, are Scotchmen, many of whom live in Edinburgh, such as Sir Geo. Warrender, Sir John Cowan, E.L.Blythe and [Lord] Menzies. Enclosed is a letter from [Lord] Menzies dated May 4, 1896.
