

Clark, W. A.

July 7, 1901

(Sen. from Butte, Mont.)

W. A. Clark to J. J. Hill.

Has talked with Paris Gibson re building a smelting and refining plant. Believes it will be advantageous to build this plant outside Butte, Montana and is considering a tract near Rainbow Falls [near Great Falls]. Will need 800 to 1000 acres of land and water rights at Rainbow Falls.
