

Clark, Hon. W. A.

August 3, 1901

Hill to Clark, Butte carbon
Re his building copper works at Great Falls --
the place's advantages and resources. Hill
makes a definite offer. The experience of
Boston and Montana Co.'s works at G.Falls. "With
a much smaller amount of ore treated at Great
Falls, the Boston and Montana, as you know, far
exceeded the Anaconda Company in net income
last year."
