

Coal- Lake Minnetonka

July 30, 1883

Hill to C. A. Zimmerman, gen.mgr., Lake M. Steamship Co.

Re W. F. Davidson's inferior coal, which costs 65¢ more than this Co.'s coal (\$4.60 as against \$5.25). Your wages payroll is too high, \$100 a day. Better talk to JJH about this.
