

Conservation

June 11, 1908

Hill to Theodore Roosevelt

Re conservation conference of governors."I will at all times be glad to aid in any way ... and at the same time I feel that in our country it will take years, as it has with other and older countries, to bring home to the people the knowledge which must go before any permanent and general policy that will produce the result aimed at."

JJH LetterBook, 3/14/08 - 3/17/10, p. 64
