

Crow's Nest Pass Coal Co. Sept. 12, 1907

Hill. to G.G. Lindsey, gen.mgr. of the co.

Hears gladly that the situation is improved & Graves expects to start up all his furnaces. Says some of your English miners were arriving Keep them coming, up to say 500 new men. Demand for coal great. If U.S. war vessels are sent t Pacific as now proposed, arrangement could be made to supply them entirely with Crows Nest Pass Coal, but only if supply is constant and dependable.
