

"Dakota" Steamship

Feb. 10, 1904

F.W.Allen to W.C.Toomey.

Is sending two sets of photographs of the launching of the "Dakota" on Feb. 6, 1904 and of the "Minnesota" as she appeared at that time.

Probably "The Globe" of St. Paul reproduced these photos, for there is a note stating: "First set received, consisting of about 6 views, loaned to Mr. Pyle of the Globe, Feb. 12, '04."
