

Dakota Terry,- Railroads December 24,1886

Minot to J.S. Kennedy

Re projected extension of Duluth and Manitoba Railroad from East Grand Forks to Pembina."The Minneapolis and Pacific is now completed to Lidgerwood,Dakota, 215 miles from Minneapolis and will be put in operation next week.Our track has reached Aberdeen this morning,and is within five miles of Hutchinson." Manvel has got a fairly satisfactory agreement with North western Traffic Association for transporting our materials from Chicago during 1887,namely: \$2.00 a gross ton on rails" and on specified other items.

Minot LetterBook (1/1886-12/31/86) p. 525
