Hill to Daly, Anaconda, Montana

Introduces J.D. Santilhano, of Adolph Boissevain & Co. of Amsterdam. "His house represents 25 or 30 thousand shares of Anaconda stock. If you will encourage him to talk he will give you a great deal of information as to how Anaconda matters have been placed before the public in London. His people are very strong & his report will be of great service to the Co. By encouraging him to criticize the situation of Anaconda shares in the market, I think you will be able to get a great deal of information that will be of service to you."
