

Davey, J.M. Capt.

March 4, 1903

Carbon. Toomey to Capt. Davey.

"It was distinctly understood by Mr. Dickman and myself when we talked with you at Valley that you were placed in full control of our work there and of everything pertaining thereto, whether it be mining, financial, purchasing, or anything else."

"The iron properties at Valley are not in any way controlled by, or connected with, the Great Northern Railway Company..."
