

Devil's Lake, N.D.

May 9, 1883

Hill to Hon. Henry W. Lord, Register

Re the location of our station at Devil's Lake (Twp.154,R. 64); doubtless it will be in the town located on the northeast side of what is known as Creel's [?] Bay and named Minnewaska, the Indian name for the Lake."The unprecedented rush of settlers into that district makes the location of the Land Office a matter of greatest public necessity."
