

Drainage - Red River Valley      May 21, 1889

Hill to M.S. Merager, East Grand Forks, Minn.

Cites the Manitoba Road's aid (\$27,000) years ago in making a drain and its attempt to do much more in drainage last year, but the public would not cooperate and did what it could to prevent our survey of the entire Red River Valley on the Minnesota side.

JJH LetterBook, 2/15/89 - 10/23/89, p. 248
