

Duluth & Winnipeg Road

January 7, 1898

Schiff to Hill

Sterling has secured all the bonds of the Duluth & Winnipeg Road except \$2,000. "In my opinion, you should no longer hesitate to make your financial arrangements covering the ~~re-~~quirements for the completion of the Duluth & Winnipeg construction." Gives as reason the uncertainty of U. S. political conditions and prospects in the fall and the 1900 elections.
