

Duluth and Winnipeg Railway Co. 3/2/98

To E.T. Nichols

Re proposed new mortgage on Eastern Railway's North Extension and its provisions, especially one that allows exchange or disposal of lands acquired for gravel pits, station grounds, shop grounds, etc., which become of ~~of~~ further use. Cannot dispose of them now and his holding them personally despite his declaration of trust often causes difficulty.

JJH Letter Book, 10/11/95 - 3/13/99, p.271
