

Eastern Ry. Co. of Minn.

March 2, 1898

Hill to E. T. Nichols

Re proposed new mortgage on Eastern road's North Extension & its provisions, especially one that allows exchange or disposal of lands acquired for gravel pits, station grounds, shop grounds, &c. which become of no use. Cannot dispose of them now under present arrangements and Hill's holding them in his name personally despite his declaration of trust often causes difficulties.

JJH LetterBook, 10/11/95 - 3/13/99, p. 271
