

Edmunds Forest Reserve Bill      October 9, 1886

Hill to C. A. Broadwater

Enclosing letter from Paris Gibson re Edmunds bill. "This is a matter of the greatest consequence to the entire northern part of your Territory, and it seems to me that Mr. Toole would have more influence ... than anyone else. The bill is now in House Committee on Public Lands. Major Strait will assist to defeat the measure."

JJH LetterBook, 3/22/86 - 10/22/86, p. 464
