

Ellis, Charles. May 8, [1898]

Charles Ellis to J.J.Hill. [From England]

"I can't tell you what good it did me, apart from all the details that you gave me so clearly, to see you again and bring back to me all the old memories of 78 to 82, when I used to be so much in the West." Also refers to the fossils that Hill had told Ellis about.

General Correspondence by Date.
