

Ft. Peck Ind. Reservation August 17, 1912

L.W.Hill to W.P.Kenney.

Believes that the Ft. Peck Indian Reservation could be opened on very short notice and that the matter should be taken up with commercial organizations in the mid-west. Feels that it should be explained to them that this is the last large opening of good agricultural land in the U.S. Understands also that the Ft. Assiniboine Military Reservation has been turned over to the Dept. of Interior.
