

Furber, P.P.

March 28, 1888

Furber to JJH, General Correspondence

Asks for \$3000 on account and adds: "I am working hard on your plans and shall send Mr. Brodie soon - the necessary plans for his foundations--Granite and iron, also a copy of the specification and will follow up with a complete set of drawings as rapidly as they can be figured and traced. I am getting bids on Blue stone and Brown stone at present."
