Gates, J. W.

March 14, 1899

J. W. Gates to J. J. Hill.

Has been suddenly called to Europe on a very important matter and will be gone for three or four weeks. In the meantime would like J.S.Keefe, general freight traffic manager of American Steel and Wire Co. to come to St. Paul and work with Philbin to "make us such a rate as will permit our taking our [out][?] three or four hundred thousand tons of ore this year."
