

Gibson, Paris

May 5, 1884

Hill to Paris Gibson

Time not ripe for a railway between Helena & Butte. Must see the area before deciding to build. Great Falls is an entirely different proposition. "I am willing to do anything I can fairly, to give that location all the advantages of a Railway if it can be done on a safe business basis."

JJH LetterBook, 1/11/84 - 5/30/84, p. 399
