

Gibson, Paris

September 18, 1882

Paris Gibson to James J. Hill.

Edgerton, who has shot and wounded a man in Helena, will be compelled to sell his claim [in Great Falls] if he does not get \$1100 immediately to prevent being arrested.

Gibson has already advanced \$130 to Edgerton.

Will have a plat of the town [Great Falls] made soon, in order to be ready to sell lots.
