

Great Falls

September 21, 1901

Hill to G. B. Harris

Re a Burlington extension to Great Falls. Possible new coal field on Montana Central beyond Belt. "Much of the ore handled at Great Falls comes from Butte and its vicinity, and the remainder comes from other points on the Great Northern lines."

JJH LetterBook, 3/13/99 - 5/30/02, p. 360
