

Great Falls Water Power  
and Townsite Company

March 1, 1886

Prospectus of Great Falls Water Power  
and Townsite Company.

"The assets of this company consist of 2168 acres comprising the platted Town-site of Great Falls, situate at the confluence of the Sun and Missouri Rivers, and 5150 acres of adjacent land on both sides of the Missouri River. The Company also owns a valuable water power, composed of the Black Eagle, Colters, Rainbow, Crook and Great Falls of the Missouri River... This would furnish

a power more than sufficient to meet all possible demands, and greater than any now in use in this country."
