

Great Falls, Mont. - Industries April 3, 1888
Hill to T. Jefferson Coolidge, Wormley's Hotel,
Washington, D. C.

"The large silver smelter at Great Falls is progressing rapidly and we expect the copper refinery to be commenced at an early day. Several parties have notified us of their intention to look up the coal and iron interest near Great Falls with a view of manufacturing Bessemer iron and ultimately rails at that point."

JJH LetterBook, 6/6/87 - 4/12/88, p. 680
