

Great Falls, Mont., - Smelter      October 29, 1887

Hill to D. Willis James

Steel rail prices will, I think, come down. "I have just returned from Chicago from interviews with American Express Co. and the Boston and Montana Copper Co. Closed contract with the former for one year and think doubtless will close with the latter for arrangements to build their smelter at Great Falls."

JJH LetterBook, 6/6/87 - 4/12/88, p. 380
