

Great Northern Road-
Cascade Tunnel

January 3, 1901

A.J.Blethen to A.W.Clark.
(Of Seattle
Times)

"When I came to publish the Xmas number, which contained two solid pages devoted to the opening of the Cascade Tunnel, to my surprise we found ourselves without either photograph [of J.J.Hill] or half tone."

"On inquiry I found that the half tone had been ruined because of repeated publications and that the photograph had 'disappeared' probably stolen."
