[Dwight Braman] to Hill

"Since 1906 I have been a specialist, as you know, in Great Northern Preferred...I have noticed that Mr. Nichols has borne an animosity toward me ever since I started these operations and I suppose he was rather jealous that I had so far obtained your confidence and agreed with your sound business judgment which lead[sic] you and me to have our little account together to protect the stock...When I began in 1906 there were about 6,700 stockholders, and now to date there are upwards of 30,000 stockholders, and your stock, Great Northern Preferred, has been for four years the strongest stock of the

Stock Exchange with one single exception, and no bear party has dared to attack it for the reason that I have been on the job every minute
