

Great Northern Road

July 27, 1898

J.S.Kennedy to Hill

Mention of Hill's securing a salmon river [St. John] in province of Quebec; of completion of Northern Division of Eastern Minnesota Road; optimism for future of Great Northern because of (1) amicable understanding with Nor. Pac.; (2) Alaska Goldrush; (3) natural growth of the lines West; (4) great changes in trade with the East as result of this war. Free trade views re tariff.
