

Hatch, Major Charles F.            September 14, 1882

Hill to John W. Garrett, Pres., Balt. & Ohio

Unused pass to Hatch is enclosed in the hope his daughter may receive a pass instead, to enable her to go to N.Y. to live with an aunt.

"Major Hatch was in the employ of this Co. up to the time of his death about four years ... serving faithfully and well. He left his family in exceedingly straightened circumstances."
