

Hauser, S. T.

May 19, 1885

Hill to Hon. Wm. C. Whitney, Washington, D.C.
Re Hauser of Helena as candidate for governor of Montana Territory. "I have known Mr. Hauser for some years. He is president of the First National Bank of Helena and interested in some silver mines near that place." Thinks he will vote wrong on the president's silver matters. He has done his N.Y. business with the firm of Clark, Dodge & Co. of Wall Street and Mr. Geo. Clark says that Hauser in conversation with him said he was very sorry Cleveland had been elected after reading his letter on the silver question.
