Higginson to JJH, General Correspondence

"It is election-day & so we stock-people have a day off. Therefore I write you a private line about 'Great Northern Rights'." Discusses sale of "Rights" stock. Adds: "you know very well that other people would like very much your road, & are on the hunt--& not one party only either. Harry [sp?] Minot has one key (telegraphic if you need it. Please use the word 'Wax' in speaking of 'Rights'--& remember one 'Right' belongs to one share of Manitoba."
