

Hill, James J.-Biographical Data Nov.9,1903

Carbon. [Toomey] to James Hyde.

"We have no manuscript covering Mr. Hill's biography (the fact is Mr. Hill seriously objects to having himself written up) but if you will procure copies of the "Review of Reviews, June, 1900, "The World's Work," May 1901, and "Saturday Evening Post" of August 10, 1901, you will, no doubt, be able to get all the information you require in this connection."
