

Hill, J.J. - Animal husbandry December 19, 1882

Hill to P.H. Tompkins, El Paso, Illinois

"I note what you say about 'Polled Angus' and 'Aberdeen' cattle. I bought five of the Prize animals of last year in Scotland including 'Lord Chancellor,' a bull 2 years old on the 2nd February next. He took four leading prizes before leaving Scotland and was considered by breeders the finest bull of his age in the world
